

DEEPER QUEST TABLET AND REMOTE CONTROLLER HOLDER

Customisable Orientation

Quick-Release System

One-Hand Design

Universal Fit

Upgrade your Deeper Quest experience with our premium Tablet and Remote Controller Holder, crafted from high-grade anodised aluminium and glass-reinforced ABS plastic for exceptional durability and sleek aesthetics. Designed specifically for anglers who prefer using larger screens on the bank, this holder combines robust construction with modern design to enhance your Quest.

HOW IT WORKS

UNBOX AND ORGANISE

Unbox your tablet and remote controller holder and lay out all the parts on a table.

CHOOSE REMOTE CONTROLLER SIDE

Decide which side you prefer to keep the remote controller and place the aluminium tablet holder accordingly.

SECURE TABLET HOLDER

Screw the hand bolt to secure the tablet holder in place.

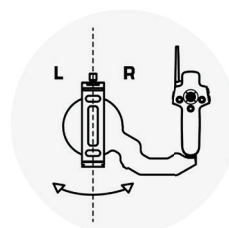

ADJUST AND TIGHTEN

Position your tablet within the holder, then tighten the screw on the back and fine-tune the fit using the upper bolt for optimal stability.

ATTACH QUICK RELEASE PLATE

Secure the quick release plate* to the bottom of the holder for easy tripod mounting, and attach the neck strap* for added convenience.

* The quick release plate and neck strap are already included in the Quest kit.

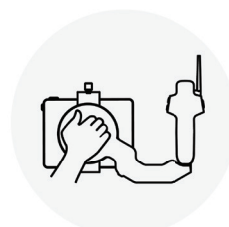

Customisable Orientation

Switch between left and right-hand setups to match your preference.

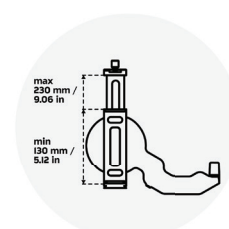

Quick-Release System

Easily attach and detach a remote controller with our magnetic system for fast, secure access.

One-Hand Design

Built-in handle ensures stable, easy one-hand use for your Quest.

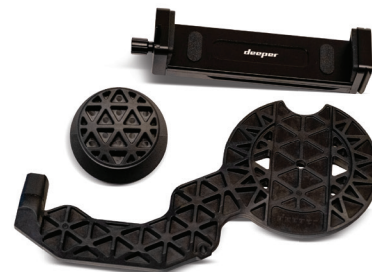

Universal Fit

Compatible with most tablets up to 230 mm / 9.06 in width.
