PRODUCT TECH SPECS:

Model	Deeper RECHARGEABLE LI-ION BATTERY SET
ITGAM	1337
EAN	4779032950985
Colour	Black (Semi transparent)
Product size	105 x 42 x 82 mm
MLP	490 x 260 x 270 mm
Quantity in MLP	12 battery sets
MLP weight	14 kg
Enclosure material	ABS
Voltage	14.4 V / 6,7 Ah / 96,48 Wh
Product weight	455 g / 1 lb
Battery status indication	YES
Charging	via Deeper Quest bait boat
Country of origin	China

TIPS FOR PROLONGING BATTERY LIFE:

- **Regularly Charge Batteries:** Avoid letting batteries fully discharge. Recharge them after every fishing trip or extended use.
- **Avoid Extreme Temperatures:** Store and operate your batteries within the manufacturer's recommended temperature range.
- **Inspect Regularly:** Check batteries for wear, swelling, or leakage, and replace them if necessary.
